

## **Hakata Port Running a Booth at the 13th Thailand International Logistics Fair 2016**

For the PR activities of Hakata Port, the Port & Airport Bureau of Fukuoka City and Hakata Port Terminal Co., Ltd. will run a booth at the Thailand International Logistics Fair 2016 (TILOG-LOGISTIX 2016) held in Bangkok, Thailand.

This fair, hosted by the Department of International Trade Promotion, Ministry of Commerce, Royal Thai Government (DITP), is an exhibition and meets the needs of exhibitors and visitors such as shippers that hope to have business meetings each other.

The previous fair held last year had 286 booths of companies (including 27 Japanese companies) in logistics service industries of the ASEAN region, mainly Thailand and welcomed some 9,800 visitors.

As an exhibitor, Hakata Port hopes to conduct the PR activities in the ASEAN region including Thailand that has achieved a remarkable economic growth over recent years and further expand trade between Kyushu Island and the ASEAN region in the future.
